TO ALL FLORIDA EASTERN STARS:

Dear Sisters and Brothers:

Our Worthy Grand Matron, Sister B. Joann Heath, is giving us the opportunity to recognize those members of our Order who have given of their talents, time, effort, and support to others without any thought of receiving any reward or recognition for their many acts of kindness. We are part of an organization dedicated to Charity, Truth and Loving Kindness. Every day someone makes our life a little easier and a little brighter. Let us take the time to reflect on those who have shown us love and kindness and have blessed our lives, by submitting their name or names to the “Deeds of Kindness” committee for recognition. Those nominated will receive an anchor pin with a heart signifying our Worthy Grand Matron’s theme of “Anchored in Love, Life is Sweet”, together with a beautiful Certificate.

We hope that each Worthy Matron will work with the District Chairman to promote this wonderful endeavor. After I receive the application, I will send the Certificate and pin to the sponsor. I hope that these awards may be presented at a Chapter meeting so that the recipients may be recognized; thereby, allowing everyone to know how they have blessed others. Acts of kindness are seldom isolated. More often, they set off ripples of good things – like a pebble in a pond.

Sister Lanette Stout, Past Grand Marshal, co-Chairman, our District Chairman, and I all look forward to working with each of you in promoting “Deeds of Kindness” recognition of our members. The cost is only \$5 for each person nominated. This is not a fund raising committee and the \$5 covers the cost of the pin, Certificate, and mailing.

Let’s all work together to spread a little kindness and love to our Sisters and Brothers and recognize those special Sisters and Brothers who go the “extra mile”.

Lovingly and fraternally,

Sharon Strosnider, PGA, Chairman

Sent with the approval of the Worthy Grand Matron.
